MAP FEEDBACK FORM

3. DETAILS OF THE FEEDBACK / COMMENT

For each question below, please circle the response that best applies to your comment.

Do you agree or disagree with the map?	Agree	Disagree
If you disagree, do you think the flood extents on the map are:	Too extensive	Not extensive enough
Are you the owner or occupier of the land that is the subject of your comment?	Yes	No
Is your comment related to (a) past flood(s)?	Yes	No
Is your comment related to the consideration of flood defences?	Yes	No
Is your comment related to a local change (e.g., new infrastructure, land raising, etc.)?	Yes	No
Is your comment related to the findings of a separate / independent technical analysis and/or detailed flood risk assessment?	Yes	No

Please set out here your comments / feedback, with reasoning to support your comments if possible:

Please provide as much supporting material as possible that is relevant to your comments, e.g., reports, survey data, photographs, etc.

This material can be attached to an email, or sent by post, using the contact details below.

If submitted separately to this form, please include a copy of the completed form to allow us to link the supporting material with your comments above.

Please submit to:
