

# MIDLETON FLOOD RELIEF SCHEME

**PUBLIC PARTICIPATION DAY**

**Thursday 28th July  
Midleton Park Hotel  
2.00pm-8.00pm**

[www.midletonfrs.ie](http://www.midletonfrs.ie)

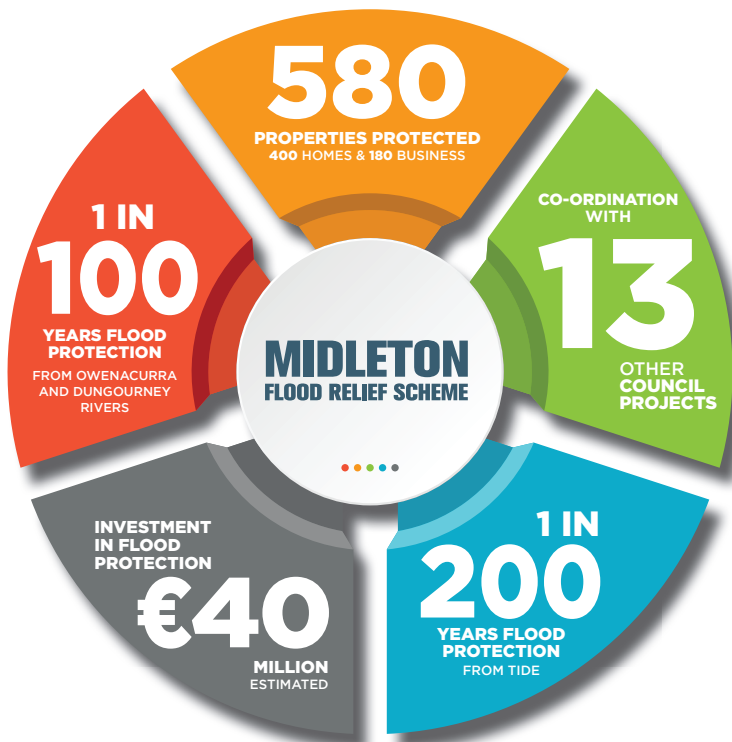

## INTRODUCTION

Cork County Council, working with the Office of Public Works, has commissioned Arup to develop a Flood Relief Scheme for the Middleton Area. The purpose of the Middleton Flood Relief Scheme is to assess and develop a viable, cost effective and sustainable Flood Relief Scheme to alleviate flooding in the Middleton Area.

## PUBLIC PARTICIPATION

This is the third public participation day for the project, following previous events in 2017 and 2020.

Our aim is to inform the public and stakeholders of the progress we have made since we began this project, and to present the Emerging Preferred Option for the Middleton Flood Relief Scheme.

## EMERGING PREFERRED OPTION

Following our 2020 public participation event, we received a large number of submissions on the options presented. We have taken these into account in our multi-criteria assessment of the options. We have now developed the Emerging Preferred Option for the Midleton Flood Relief Scheme.

We now invite additional public feedback on the Emerging Preferred Option before we continue to the Planning Stage of the project.

## WHAT HAPPENS NEXT?

### Public Participation Day No. 3

- PPD3 will be held in July 2022
- Presentation of the Emerging Preferred Option
- A third chance to have your views heard

### What happens then?

- Scheme Review
- Production of Scheme Documentation
- Appropriate Assessment
- Environmental Impact Assessment

### Statutory Consent Process

- A fourth chance to have your views heard

### And then?

- Scheme Refinement
- Ministerial Approval
- Detailed Design
- Procurement and Construction

## YOUR FEEDBACK IS IMPORTANT

Cork County Council and the Office of Public Works want to consider all viewpoints in relation to the Emerging Preferred Option being proposed. This is your opportunity to take part and make your views and comments known. Following this public participation event, the Emerging Preferred Option will be brought forward to the Planning Stage. Time spent communicating your views on the proposed option is appreciated. The general public and all interested parties are invited to give their opinions on the Emerging Preferred Option. Please examine the information which will be on display at the Public Participation Day and online on the project website **www.midletonfrs.ie** and let your views be known before **Monday 29th August 2022** by:

1. Completing and returning the Questionnaire at the Public Participation Day, or on the project website [www.midletonfrs.ie](http://www.midletonfrs.ie), or
2. Emailing us at [midletonfrs@arup.com](mailto:midletonfrs@arup.com), or
3. Writing to the address below
