Scheme Objectives and Overview

A Viable and Cost - Effective Flood Relief Scheme for Ballinasloe

The Office of Public Works (OPW), in partnership with Galway County Council (GCC), has appointed Arup to assess, develop and design a viable, cost-effective and environmentally sustainable Flood Relief Scheme for Ballinasloe. Ryan Hanley Ltd. has also been appointed to undertake the environmental appraisals for the scheme.

Project Timeline

Shown is an indicative flow chart outlining the process from inception through construction for the Flood Relief Scheme.
