

# Public Engagement Day No.1

Board

O 7

# What happens next?

### What happens next:

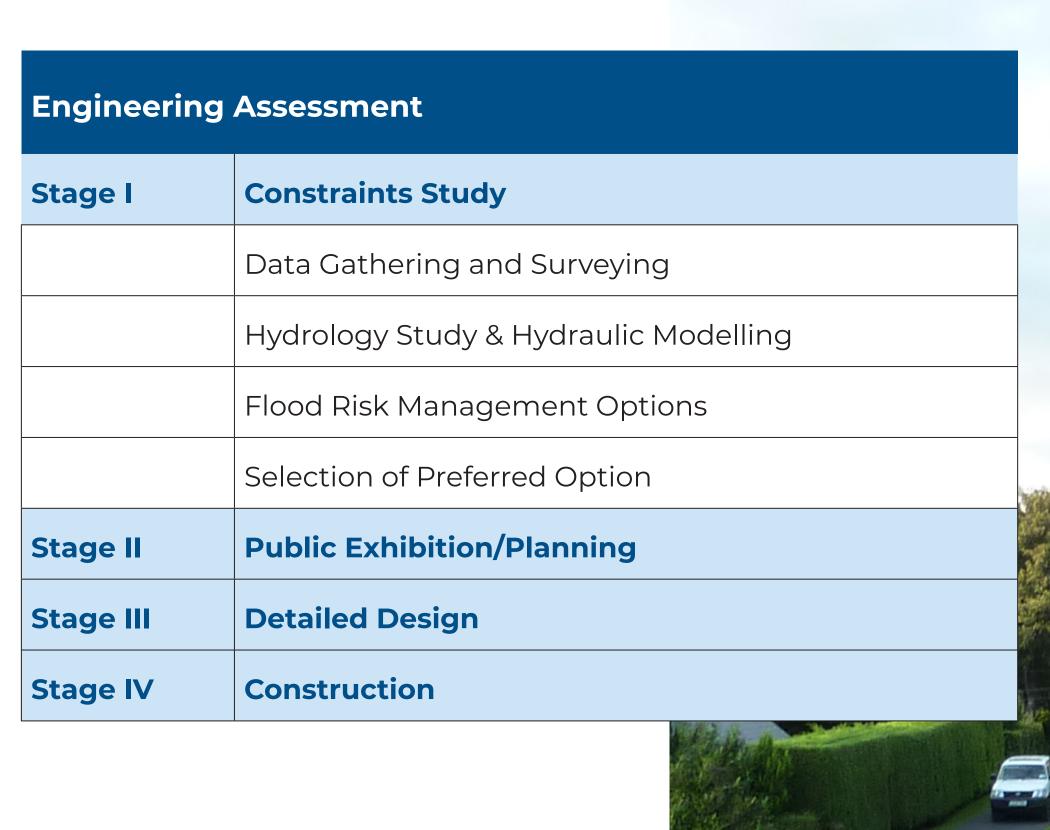

All comments received in response to this Public Engagement Day will be considered by Kildare County Council and their partners and will be taken into account in the preparation of the first stage of Naas Flood Relief Scheme Engineering Study and Environmental Impact Assessment.

The Engineering Assessment and the Environmental Impact Assessment for the Naas Flood Relief Scheme will be delivered in the following stages:

All information relating to the scheme/project will be published on

www.floodinfo.ie/naasfrs
