# Get involved. Have your say

**We are very keen to find out what you think of our plans.**

Following completion of the Constraints Study, we will develop options for flood relief solutions within the study area.

Final feedback on the Preferred Scheme will be incorporated into the final design which will be progressed through the planning process if viable.

Options will be assessed based on environmental, technical and economic viability to assess the requirement of a scheme in Naas. If the project is viable, the preferred option will be presented to the public at a second Public Engagement Day.

The statutory consultation will be conducted as required during the planning process if viable.

Constraints & Revised flood Extent mapping	Develop Options
<b>Public Information Day no. 1</b>	<b>Public Information Day no. 2</b>
Your input to constraints to gather information, understand the public's concerns and aspirations for the scheme.	Present draft Preferred Scheme for final public commentary. The final scheme will be revised to include final public feedback.
Date: July 2022	Date: TBC

## Get involved

The Public Engagement period will be live for next 2 weeks where you will be able to submit any comments until the 9th of August 2022 by email or post by downloading the feedback form from the project website at [www.floodinfo.ie/naasfrs](http://www.floodinfo.ie/naasfrs)

The project website and the Kildare County Council social media will be updated regularly with project news so we can bring you along this journey with us.

## Your opinion Matters

If you or your property have been affected by flooding, we would appreciate gathering some valuable information from you. A feedback form has been prepared to allow us to gather as much information possible on the flood risk to your property, the impact it had on you and how you have responded.

We would also like to find out what you consider a priority for the scheme – Naas Flood Relief Scheme aims to address the needs of the Naas community.

In addition to this exhibition, all boards and feedback form will be available online on our website: [www.floodinfo.ie/naasfrs](http://www.floodinfo.ie/naasfrs)

You can also email any questions to us at [naasfrs@arup.com](mailto:naasfrs@arup.com)

## How to Make a Submission and Contact Information

Feedback and submissions can be made from the 26th July until the 9th of August 2022 on the project, by downloading the form from the website and returned by email or post as follows:

**Email:** [naasfrs@arup.com](mailto:naasfrs@arup.com)

**Post:**

Arup – Naas Flood Relief Scheme  
Project Manager  
50 Ringsend Road  
D04 XH79  
Dublin 4  
Ireland

Alternatively, please call 01 233 4455 and we will issue a feedback form to you by post.
