

Existing pitch relocated and enlarged slightly to 90m x 60m plus 4m run off at either end and additional 6m at one end to allow for moving of the pitch to avoid excessive wear in certain areas

Kickabout or warm up area. Also allows potential for widening of pitch or moving sideways

Existing drainage ditch retained

Connecting to existing outer walkway

Paladin security fencing along bottom of the embankment

Boundary fence ties in with the relocated astroturf fence

Existing astroturf training pitch moved south-westwards. Potential to reuse portion of existing subbase in overlap area.

Loss of 6 parking spaces and storage area

Astro-turf Training Pitch

Star Rovers Pitch

Dwg. KIFRS-A-006

2m high boundary fence to Star Rovers set back 3m where feasible

Slopes of embankment increased to 1:2.75 to provide required space for pitches

Ball stop netting behind goals

4m run off zone plus 6m flexibility for movement of pitch layout

3m run off area as currently exists to side of existing pitch layout

Existing boundary fence retained

2m high boundary fence to Athlunkard Villa FC offset approximately 3m from the base of the embankment

New footpath to relocated astroturf

Potential area for future additional parking

Potential location for a new maintenance shed

Proposed tree line to filter visibility of training pitch from adjacent properties.

Area for potential grass training pitch

Dwg. KIFRS-A-008

Athlunkard Villa FC Pitch

Embankment graded out more gradually
