BACKGROUND TO THE STUDY

In August 2020, Binnies UK Limited (Binnies) and Nicholas O'Dwyer Limited (NOD) Joint Venture were commissioned to carry out the Ardee Flood Relief Scheme (FRS) by Louth County Council (LCC), working in partnership with the OPW.

This Public Consultation Day is to present the emerging options developed by the project team to the public to hear your opinions and any ideas you may have. Feedback from this consultation will help inform the selection of the preferred scheme which will then be shared with the community before seeking Planning consent.

YOUR OPPORTUNITY TO TAKE PART

All comments received during the Public Consultation Day on 25th November and through the website will be considered by the Project Team in developing the preferred scheme from an environmental and engineering perspective.

HOW CAN YOU GET INVOLVED

We want to consider all viewpoints in relation to the scheme, and this is your opportunity to take part.

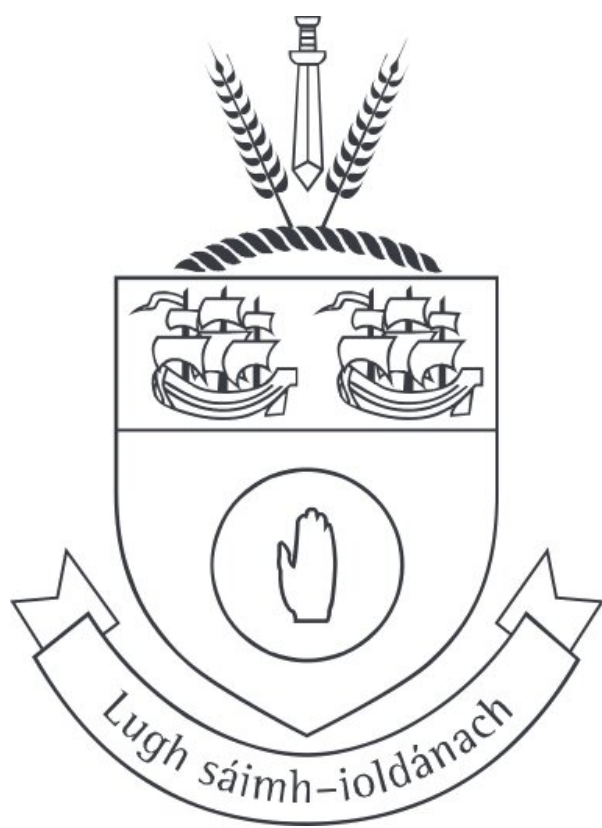

Please attend our Public Consultation Day at any time between 1pm — 7pm where you can discuss any options or concerns with our team

- A questionnaire will be available for you on the day to express your viewpoints.
- Can't make it? - if you cannot join us on the day a copy of the questionnaire will be available on the website as well as supporting maps and information.
- Closing date for consultations and questionnaire submissions is 8th December 2022.
- A third Public Consultation Day will be held once a preferred scheme has been identified.

TIMELINE OF SCHEME PROGRAMME

ACTIVITY	2020	2021	2022	2023	2024	2025	2026	2027	2028
