PART 1 – General

1. Please tick as appropriate (more than one option can be selected). Are you:

A householder directly affected by flooding or erosion
A member of the local community, not directly affected by flooding or erosion
A landowner affected by the proposed options
A member of a local group
A member of a Statutory Consultee/Local Community Group
Other (please state) _____

2. Are you aware of the Rosslare Coastal Erosion and Flood Relief Scheme?

Yes ☐ No ☐

How did you hear about this Public Consultation Day? (Newspaper, local radio, social media, other – please specify)

3. a) Do you own, rent or occupy a property within the study area?

Yes ☐ No ☐

- b) If you answered yes, has this property been flooded or impacted by erosion?

Yes ☐ No ☐

- c) If yes, what was the type of property flooded or affected by erosion?

Dwelling

Garage/outbuilding

Farmlands

Garden

Open Space

Other _____

- d) Please provide any other information, if available (how many times was the property flooded in the past, how has erosion affected it, which year, what season of the year).

--

PART 2 – EAST COAST

4. Considering the options and constraints presented for the East Coast, please indicate how you feel about the various elements of those options.

	Like	No Opinion	Dislike
Measure 0 – Do Nothing			
Measure 1 - Beach Nourishment - Dune Landscape (sections 2&3)			
Measure 2 – Revetments with Beach Nourishment (sections 1, 2 & 3)			
Measure 3 – Beach Park (section 2)			
Measure 4 – Detached Breakwaters & Beach Nourishment & Revetment (sections 2&3)			
Measure 5 – Groynes with Beach nourishment and revetment (sections 2&3)			

5. a) For Section 1 – Southern section from Rosetown to Doogans Warren, of the measures presented please state your order of preference: 1= most preferred to 2 = least preferred. Please note that all options except "Do Nothing" include Beach Nourishment.

Do Nothing ☐ Revetments ☐

- b) Could you briefly explain why you prefer this measure?

6. a) For Section 2 – Middle section from Doogans Warren to Beach Grove, of the measures presented please state your order of preference: 1= most preferred to 6 = least preferred. Please note that all options except "Do Nothing" include Beach Nourishment.

Do Nothing ☐ Dune Landscape ☐ Revetments ☐ Beach Park ☐ Breakwaters ☐ Groynes ☐

- b) Could you briefly explain why you prefer this measure?

7. a) For Section 3 – Northern section from Beach Grove to Rosslare Point, of the measures presented please state your order of preference: 1= most preferred to 5 = least preferred. Please note that all options except "Do Nothing" include Beach Nourishment.

Do Nothing Dune Landscape Revetments Breakwaters Groynes

- b) Could you briefly explain why you prefer this measure?

8. Please let us know (on a scale of 1 to 5) how important each of the below issues are to you in each of the three identified sections. You can give the same score to multiple items.
(1 = Extremely Important, 2 = Very Important, 3 = Moderately Important, 4 = Slightly Important, 5 = Not Important).

	Section 1 – Rosetown to Doogans Warren	Section 2 – Doogans Warran to Beach Grove	Section 3 – Beach Grove to Rosslare Point
Protect the coast from further erosion			
Preserve the beach			
Increase the beach width			
Protect the landscape of the area			
Preserve the ecology of the area			
Preserve the extent of the beach in front of the Golf Course			
Protect the Golf course from erosion			

9. Please let us know (on a scale of 1 to 5) how you feel about each of the below issues. You can give the same score to multiple items.
(1 = Extremely, 2 = Very, 3 = Moderately, 4 = Slightly, 5 = Not at all).

	Score
Are you willing to accept some level of coastal erosion in exchange for a more natural environment?	
How important is it to you that the erosion protection scheme is visually appealing and blends with the natural landscape?	
Are you concerned about the potential impact of climate change on coastal erosion in the area?	

PART 3 – WEST COAST

10. a) Considering the options and constraints presented for the West Coast, please indicate how you feel about the various elements of those options.

	Like	No Opinion	Dislike
Option 1 – Do nothing			
Option 2 – Elevate the Road			
Option 3 – Raised Defence West of the Road (on the seashore side)			
Option 4 – Raised Defence East of the Road (on the houses side)			
Option 5 – Local protection around buildings			
Option 6 – Marsh Land in front of the shore with a smaller defence structure along the seashore.			

- b) Of the options presented, please state your order of preference: 1= most preferred to 6 = least preferred.

Option 1 Option 2 Option 3 Option 4 Option 5 Option 6

- c) Could you briefly explain why?

11. Please let us know (on a scale of 1 to 5) how important the below issues are to you. (1 = Not Important, 2 = Slightly Important = 3: Moderately Important, 4 = Very Important, 5 = Extremely Important).

Protect the properties along the Burrow Road from further flooding

Protect the Burrow Road route from further flooding

Preserve the view from the road

Protect the landscape of the area

Preserve the terrestrial and aquatic ecology of the area

PART 4 – FINAL QUESTIONS

12. Do you have any concerns in relation to the environmental impact of the various coastal erosion and flood relief scheme measures and options presented today, or any thoughts on opportunities for environmental enhancements?

13. Please provide below any other comments or observations you wish to make about coastal erosion, flooding or any of the information presented today.

Address (Optional): _____
Email (Optional): _____ Phone (Optional): _____

GDPR Compliance

Your contact details have been collected by Nicholas O'Dwyer Ltd. Consulting Engineers on behalf of Wexford County Council to aid the development of the coastal erosion and flood relief scheme for Rosslare. The details will only be used by the Consultant, Wexford County Council and the OPW for the purposes of contacting you in relation to the scheme, which may include some or all of the following:

- Notifying you of future consultations
- Arranging access to your land for the purposes of data collection by the Project Team and approved third party surveyors
- Clarifying information you have already provided to the Project Team and obtaining further inputs

Your details will be securely kept on file for the duration of the project and will be securely deleted on completion of the project.

Your details will not be shared with any party other than Wexford County Council.

Should you wish to opt out please contact RosslareCEFRS@nodwyer.com
