

# Dundalk & Ardee Flood Relief Scheme

## Ardee Emerging Flood Relief Options Public Consultation Day

**25th November 2022**

Binnies/Nicholas O'Dwyer JV on behalf of Louth County Council invite residents, businesses and all interested parties to attend a Public Consultation Day for the Dundalk & Ardee Flood Relief Scheme.

We gathered your feedback and initial views on the key issues the Scheme should address during Public Consultation Day No. 1 in winter 2021.

Now have your say on the emerging options to inform the identification and selection of a preferred scheme. We value all feedback and greatly appreciate any time spent communicating your views.

- A questionnaire will be available for you to express your viewpoints.
- Members of the project team will be present to discuss your views.
- **Can't make it?** - if you cannot join us on the day a copy of the questionnaire will be available on the website as well as supporting maps and information. Please feel free to submit a completed questionnaire to us at the email below.
