  - 7. Paving to raised table area
  - 8. Stepped entrance with flood gate
  - 9. New flood defence wall
  - 10. Plinth of existing wall retained where possible
  - 11. Paving to Baby's Walk
  - 12. Existing access closed
  - 13. Existing entrance retained
  - 14. Potential new access to park

Wall finishes along Baby's Walk

- Existing wall reduced in height, plinth retained if possible at approx. 40-60cm height
- Seating added to top of plinth wall
- Consideration is being given to finishing the proposed flood defence wall in natural stone. Reclaimed stone from the existing wall to be applied along with supplementary new stone finish

Existing wall along Baby's Walk

Material reused where possible

Plinth of wall retained where possible
