Meeting Minutes:

1. Contractor’s CEMP
 - Considered too long and not easily usable as a working document.
 - CEMP needs to be updated to reflect works completed to date.
 - EMG noted a number of errors and corrections needed – these to be sent to GW to compile in a single list, to be sent to SCE.
2. Monthly Environmental Audit reports:
 - CCiC to revert with comments from EMG to ECOW for the November Audit report.
 - The revised October report from ECOW to be issued in final format.
3. Website/Comms
 - GW and NOC met this week to finalise project website design, proposed changes to be sent to Arup today.
4. Fish Pass at Bleech Hill
 - Information sent to Arup to carry out assessment of whether the fish-pass will adversely affect the adjacent house. Arup currently reviewing.
5. Biodiversity Plan – ECOW currently progressing with plan.
