Glashaboy Flood Relief Scheme Public Information Clinics

A Public Information Clinic is now available to members of the public who may have queries relating to the Scheme. The clinic will be held at our Circus Field staff compound near Hazelwood Road <https://goo.gl/maps/8BH4CvdHysG7DK4A7> on the **first Monday of each month**, between the hours of **5:30pm and 7:00pm**.

The site compound entrance is at the north end of Circus Field and car parking will be available on site for the Public Information Clinics.

Members of the public have an opportunity to meet with representatives from both the Contractor and the Employer. No appointments are necessary, but people will be seen on an individual basis and time constraints may need to be applied dependent on numbers attending.

A dedicated webpage has also been set up to provide updates to the public throughout the duration of the scheme. This can be found at <https://www.floodinfo.ie/frs/en/flashaboy/home/> and will be updated regularly as the works progress. We look forward to your continued cooperation during the construction of this contract.
