Meeting Minutes:

1. Memo from ECoW re: Glashaboy River reinstatement – installation of river deflectors
 - Simple use of boulders to introduce a low-flow meander, to enhance fisheries. There is no additional cost expected as this is being done in lieu of original reinstatement.
 - The Memo was discussed and accepted by the EMG.
2. Sand martin boxes
 - Memo from ECoW was discussed and accepted by EMG.
 - ECoW to use a short length of PVC pipe, located within the pans of SPW, to be fitted during casting of the concrete wall.
3. Tree planting. COL discussed with tree officer about availability of Circus Field for planting.

Next EMG meeting: Thursday 30th October @ 14:30
