Meeting Minutes:

1. Discussion on consultants CEMP document,
 - i. OPW consider it very long, maybe too long and too complicated, and as such not readily usable for the contractor.
 - ii. CEMP document should include all necessary surveys.
2. Clarification needed from consultant that all the archaeology surveys complete and up to date.
3. Site visit / walk through proposed for week of 29th May - 02nd June to look at biodiversity, potential VEP areas and channel cleaning locations.
