Graiguenamanagh-Tinnahinch Flood Relief Scheme

Stakeholder and Public Engagement Event
Starting June 18th 2020
Online

Purpose of the Project

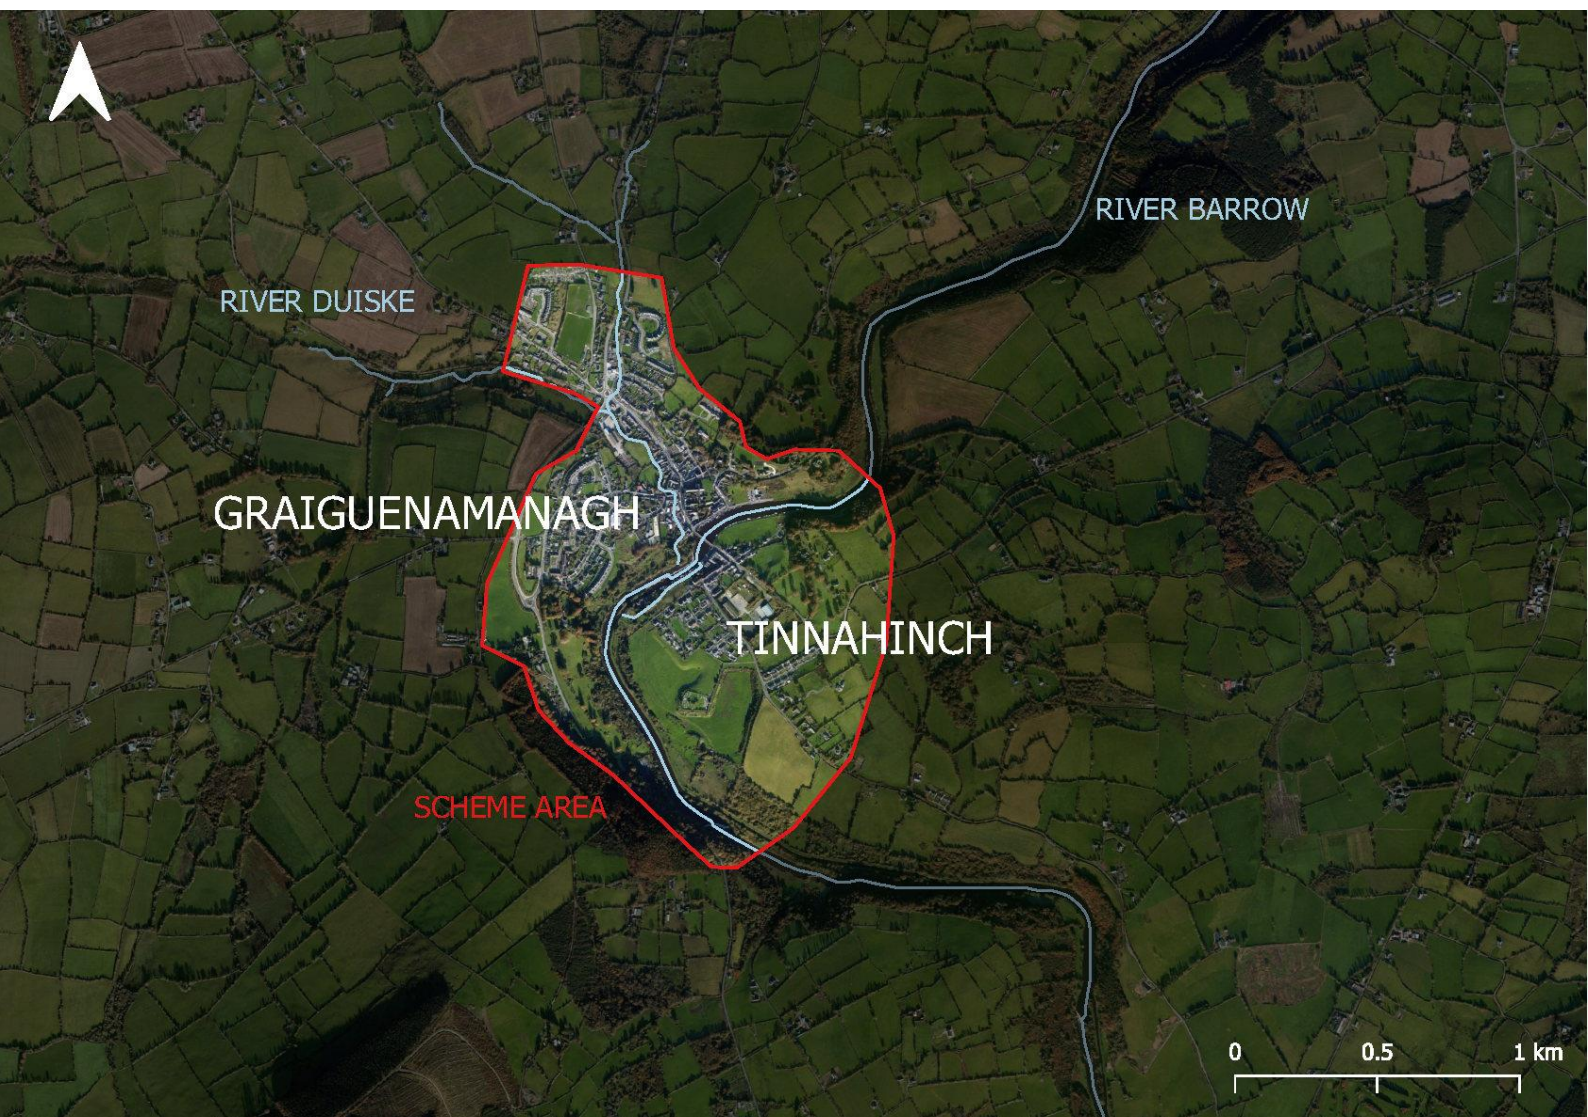

The purpose of the Graiguenamanagh-Tinnahinch Flood Relief Scheme is to alleviate the risk of flooding to the Community of Graiguenamanagh-Tinnahinch by providing a scheme that is technically, socially, environmentally and economically acceptable.

Kilkenny County Council have appointed ByrneLooby to undertake the design and implementation of the proposed Flood Relief Scheme. Kilkenny County Council will be working together with the Office of Public Works and Carlow County Council to deliver the project.

This is the first public consultation day for the project; its objective is to gather information from the public about their

experiences of flooding in the Scheme Area along with their thoughts on possible solutions to the flooding problem and their preferences in this regard. Local experience, knowledge and insight is an essential prerequisite for any successful Flood Relief Scheme.

We also welcome your input on potential environmental issues within the Study Area. Your views on constraints with regards to environmental issues and the implementation of solutions would be appreciated.

Your Feedback is Important

This is your opportunity to take part at the early stages of the planning of the Graiguenamanagh-Tinnahinch Flood Relief Scheme. Kilkenny County Council, Carlow County Council and the Office of Public Works wishes to consider all viewpoints in relation to the study area being examined.

Time Spent communicating your views to the project team is appreciated.

The general public and all interested parties are invited to give their opinions on the study area. Please examine the Study area shown overleaf and let your views be known by completing and returning the **Questionnaire** by Thursday 9th July 2020

All completed questionnaires, queries and comments in relation to this project can sent to either of the following.

Email: GTFRS@ByrneLooby.com

What Happens Next?

All comments received in response to this Event will be considered by Kilkenny County Council, Carlow County Council and the Office of Public Works. They will be taken into account in the preparation of Stage 1 of the Graiguenamanagh-Tinnahinch Flood Relief Scheme, Engineering Study and Environmental Study.

Further information on the progress and developments of the Scheme will be provided at (expect to be live by the end of June):
