Meeting Minutes:

Meeting called to discuss the environmental review by Arup of post-confirmation design changes.

Note: If item is included in the EIAR addendum then it is not a change to the confirmed scheme.

1. SG outlined her notes on Arup report:
2. SG queried had a ECOW been appointed yet? To start monitoring water quality to gather a history before the works, to compare with during and after construction activities.
3. Website, a separate section/page required for environmental monitoring info/reports etc...

GW to revert to Arup with annotated report of the changes required.
