

## Your Feedback is Important

Dublin City Council, Dún Laoghaire-Rathdown County Council and the Office of Public Works wishes to consider all viewpoints in relation to the study area being examined. This is your opportunity to take part at the early stages of the planning of the River Dodder Flood Alleviation Scheme Phase 3.

Time Spent communicating your views to Dublin City Council, Dún Laoghaire-Rathdown County Council and the Office of Public Works is appreciated.

The general public and all interested parties are invited to give their opinions on the study area. Please examine the Study area shown overleaf and let your views be known by:

- Completing and returning the attached Questionnaire by Friday 31<sup>st</sup> January 2020
- Emailing us at [dodderfasphase3@byrneology.com](mailto:dodderfasphase3@byrneology.com)
- Writing to the address below

All queries, questionnaires and comments in relation to this project can be addressed to:

Attention: Project Manager

Building 2100  
Cork Airport Business Park  
Kinsale Road  
Cork

Or Emailed to the above address.

## What Happens Next?

All comments received in response to this Event will be considered by Dublin City Council, Dún Laoghaire-Rathdown County Council and the Office of Public Works and will be taken into account in the preparation of the first stage of the River Dodder Flood Alleviation Scheme Phase 3, Engineering Study and Environmental Study.

The Project website will provide further feedback with regards to progress and developments regarding the River Dodder Flood Alleviation Scheme Phase 3.

## Freedom of Information:

Any information provided will be subject to the provisions of the Freedom of Information Act. Personal information will be subject to the provisions of the Data Protection Acts and will not be disclosed.

## River Dodder Flood Alleviation Scheme Phase 3

## Stakeholder and Public Consultation Day

@ Dropping Well Pub, Dublin

On January 14<sup>th</sup>, 2019 from 4pm - 8pm

## Purpose of the Project

The purpose of the River Dodder Flood Alleviation Scheme Phase 3 is to assess and develop a viable, cost effective and sustainable Flood Alleviation Scheme in order to alleviate flooding along the River Dodder between Clonskeagh Road Bridge to Orwell Road Bridge including Little Dargle Stream at Braemor Road-Woodside Drive south-eastern junction.

Dublin City Council have appointed ByrneLooby to undertake the design and implementation of the proposed River Dodder Flood Alleviation Scheme Phase 3. Dublin City Council will be working together with the Office of Public Works and Dún Laoghaire-Rathdown County Council to deliver the project.

This is the first public consultation day for the project; its objective is to gather information from the public about their experiences of flooding in the Study Area along with their thoughts on possible solutions to the flooding problem and their preferences in this regard. Local experience, knowledge and insight is an essential pre-requisite for any successful Flood Alleviation Scheme.

We also welcome your input on potential environmental issues within the Study Area, in particular thoughts on constraints with regard to environmental issues and implementation of solutions.

The scheme will be delivered in 5 Stages as shown over.

**STUDY AREA**

Stage II: Planning Statutory Delivery Route & Public Exhibition

Stage III: Detailed Design, Confirmation and Tender

Stage IV: Construction Supervision

Stage V: Handover of Works

- Data Collection
- Surveys
- **Public Consultation meetings**
- Hydrology & Hydraulic Reports
- Interim Works Report
- Cost Benefit Assessment
- Site Investigation
- Scheme Report

- Part 10 Documentation
- Environmental Impact Assessment (EIA/ EIAR) and NIS Report
- **Public Consultation meeting**
- Planning consent

- Complete detail design final preferred Scheme
- Contract Documentation, Tender Assessment and Procurement of works contractor

- Supervise construction of works
- Supervise the contract

- Commissioning of Works
- Safety File Submission
